Successful Week at Base Ball.

The Harrison base ball team has been very successful the past week, winning each of the five games that have been played, two of them being shut-outs.

July 7th, Camp Kiteo was played at North Bridgton, and Harrison won by a score of 11 to 2. Foster pitching. Harrison batted well, but a large number of hits were wasted.

Saturday, July 1st, they easily defeated South Waterford at North Bridgton, by a score of 11 to 1, Foster being invincible after the first inning. Munroe pitched well for Waterford, but was poorly supported.

In the afternoon Harrison met a stronger team, but won, 15 to 0, but one hit being made off Foster, who was well supported. Harrison made a total of 31 hits, for the day, off five different pitchers, as against 4 by South Bridgton.

July 4th, at Naples, was a field day for Harrison, they winning both games from South Bridgton by large scores. The morning game went to Harrison by a score of 15 to 2, but three hits being made off Martin and Munroe. The game was called at the end of the 7th inning.

A team from Norway played Harrison at North Bridgton, Saturday, July 8th, but could do nothing with Towne's speed, and was shut out by the score of 8 to 0. The game was called at the end of the 4th inning.

But once during the game, Harrison played their best fielding game of the season. Morse pitched a fine game for Norway, wild throws being responsible for most of Harrison's runs. Cole, Walker and Fogg led the team in batting.

A spirit not of patriotism pervaded the village the "night before the Fourth," and many acts of vandalism were committed, notably at Pitts' mill, where the damage to property was considerable. It was not a work of our boys, either. How long will our citizens permit alcohol to be king?
